Commissioner for Patents

Dear Sir:

Contact was made with the Office of Petitions on February 2, 2006 and it was brought to our attention that the Petition for Revival of an Application, filed on January 17, 2006 has not been entered to date and may have been misplaced. As per a telephone communication from the PTO the week of January 23, 2006, the petition fee was incorrectly stated on the petition. Enclosed are the following items previously submitted on January 17, 2006 for filing in connection with the above-referenced Patent Application along with authorization to charge the correct fee:

1. Petition for revival of an application for patent abandoned unavoidably under 37 CFR 1.137(a)
2. Copies of all papers timely filed in response to Advisory Action After Final Action

The Director is hereby authorized to charge a petition fee in the amount of \$500.00 along with any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 18-0013, under Order No. 66046-0006. A duplicate copy of this paper is enclosed.
